

Monahans-Wickett-Pyote Independent School District

606 South Betty
Monahans, Texas 79756

Date: September 8, 2021

This letter is to notify you that a person who tested positive for COVID-19 was present on **Monahans High School** on **9/7/2021** and it is possible that you/your child could have been exposed to the corona virus during that period.

Symptoms of COVID-19 include but are not limited to **fever, cough, shortness of breath, sore throat, runny nose, muscle aches, fatigue, headaches, nausea, vomiting, diarrhea, and decreased sense of taste or smell.**

Symptoms usually appear 2 – 14 days after exposure and can vary in intensity and duration depending on various factors. Some people can test positive for the virus without having symptoms. If you notice any of the above symptoms in you or your child, please consult with your physician.

If you have any questions you can contact the school nurse. Our goal is to keep your child well and safe.

Campus Nurse: Ann McCalister, RN BSN , 432-943-2519 ext. 1018

Respectfully,

MWPISD
