

Contract for Internal Broadband Management

TERMS

This is a contract between RS Services, LLC (RSS) and Taylors Crossing Public Charter School (TCPCS) for providing management services for internal connections at Taylors Crossing Public Charter School. This service includes management, monitoring, troubleshooting, upgrading and configuration of all internal broadband connections. This covers the following: existing facility cabling plant, switches, routers, web and Internet filters, firewalls, ET AL.

The contract shall be in force from July 1st 2021 until June 30th 2022. If either party wishes to end the contract earlier, 30 days' notice from the initiating party is required.

Payments will be made once a month for the amount of \$700.00 USD. To RS Services, LLC.

Access. TCPCS will provide RSS access to the building and to all rooms that contain computer equipment. This includes server rooms, classrooms, admin offices, computer labs, kitchen area, outside utility closets etc. This access must work 24 hours per day, 365 days per year.

Exception clause. RSS hires and employs professionals who actively hold full-time jobs in other school districts. While this gives many and marked advantages to TCPCS, it does mean that response time to requests will vary. Immediate availability of an RSS tech will not be the same every time. For this we will rely on the student intern(s) and the tech mentor for day-to-day responses to tickets and help requests.

I hereby accept the terms of this contract on behalf of Taylors Crossing Public Charter School.

Signed,

Seth Boyle, Administrator, TCPCS

March 2nd, 2021

I hereby offer the terms of this agreement on behalf of RS Services, LLC.

Signed,

Rick Davis, Manager, RSS
