GCTC determined that distribution would be a straight proration to all eligible post-secondary students enrolled in an approved program as of March 13, 2020.

To determine eligibility the Financial Aid Coordinator contacted each student individually:

- To confirm that they had expenses related to the disruption of campus operations due to the COVID-19 shutdown
- To verify that they met the requirements of Section 484 of the Higher Education Act for Title IV eligibility
- To set up an in-person appointment to sign all documents and receive their check from a Central Office Administrative Professional

Student Documentation:

A Student HEERF Acceptance/Attestation form was created to serve as documentation that each student either accepted or declined the funds and had expenses related to the disruption of campus operations due to the COVID-19 shutdown. Students signed the form attesting under the penalty of perjury that they met the requirements of Section 484 of the Higher Education Act (HEA) and intend to use the funds for COVID-19 related expenses.

Per USDE Secretary DeVos, “Students may demonstrate eligibility by completing a FAFSA.....or by completing an application designed by the institution in which the student attests under the penalty of perjury to meeting the requirements of Section 484 of the HEA.” The Funding Certification and Agreement that GCTC signed, further states “The Secretary does not consider these individual emergency financial aid grants to constitute Federal financial aid under Title IV of the HEA.”

For students that had not completed a FAFSA, GCTC did its due diligence to verify that the students met the requirements of Section 484 of the HEA and are therefore eligible to receive the HEERF funds.

A Student Disbursement form was created to indicate the amount that the student would receive.

Documentation for the HEERF funds are kept in a student’s HEERF/FA file in the Financial Aid Office.
