Elementary Basketball

Tuesday October 4th our elementary girls and boys basketball team played against Reydon. The girls played hard but came up short against the Reydon Tigers. The 3rd and 4th grade boys played a great game but came up 1 basket short in overtime. The 5th and 6th grade boys game went into overtime and the bulldogs were victorious. On Thursday October 6th all 3 teams played Cheyenne but despite a valiant effort from the boys and girls teams they were unable to get the win. All of the teams are showing improvement each game. The next game is October 18 @ Reydon. Please come out and support our young athletes.
