Cultural Region Map

Native Americans of Texas

1. Using the information displayed on the SmartBoard, identify the areas of Texas where the following Native American Groups lived: **Caddos, Atakapans, Wichitas, Jumanos, Conchos, Tiguas, Coahuiltecan, Karankawas, Tonkawas, Comanches, and Kiowas.**
2. Now using the information found in Topic 1, Lesson 3 (pages 38-53), create symbols that identify the most unique characteristic of each cultural group mentioned above.
3. Identify each cultural group on the map by drawing its symbol on the map within the correct boundary
4. Color each group any color you choose, create **map key** (legend) that identifies each cultural group symbol and color.
