### **ATHLETICS**

The Weston High School Interscholastic Athletics Program is an integral part of the school's total educational program. Interscholastic competition provides students with the opportunity to grow physically, mentally and emotionally as individuals; but also as members of their school and community. "The development of character, leadership, discipline and other "non-academic" factors has a more lasting impact on a student's future success than previously thought. Firmly grounded in research on child development and social sciences the text reveals that these types of skills more accurately predict accomplishment as an adult than academic data, GPA or aptitude test scores alone..... If we are committed to education-based athletics – that teaching life skills trumps winning – it is quite possible that the most effective classroom in educating children is not a classroom at all but a high school athletic experience." ("Seeing Success", Athletic Management, Oct/Nov 2014)

The Weston High School athletic budget has been developed to support a diversified interscholastic program of 61 teams. Students have the option of participating on 30 varsity, 27 junior varsity and 4 freshmen teams. The program has very strong community support and has annually received statewide recognition for overall program excellence. Twice in the last five years the Weston High School Athletic Department was named the "Most Exemplary, Outstanding Athletic Department in the state of CT" by the Connecticut Interscholastic Athletic Conference (CIAC) and for the 9<sup>th</sup> year in a row, we were recognized as a CIAC Michael's Cup Exemplary Program. The Weston High School athletic program offers a wide variety of team and individual sports to support student skills and interests. This philosophy has led to a high degree of student participation with more than 65% of our students participating in at least one sport. It is anticipated that 853 student/athletes will participate in the program next year.

Every effort was taken to deliver the same level of excellence to the student/athletes in this budget while also keeping the cost of our athletic program down. The athletic program budget is significantly enhanced by funding from sources outside the Board of Education budget including the use of gate receipts (approximately \$15,000 annually), Weston Boosters Club (approximately \$30,000 annually), the Gridiron Club (approximately \$10,000 annually), and the Diamond Club (approximately \$5,000). In addition, Weston levies a user fee for athletes. The proposed budget has been developed using the assumption that this participation fee will remain \$75 per athlete per season with a \$300 family cap.

A total of sixty-three and one-half coaching positions are necessary to operate the sixty-one teams. This budget does not include the addition of any new assistant varsity coaching positions to provide additional supervision during practices and events. These assistant varsity coaching positions have been a discussion point in the previous eight years of athletic budgets and 3 of the 16 needed were added three years ago. These paid coaching positions are necessary for us to continue to provide a safe, educationally sound environment for our student-athletes.
