INDEPENDENT AUDITORS' REPORT

Board of Trustees Covington Independent School District Covington, Texas

Members of the Board:

Report on the Financial Statements

We have audited the accompanying financial statements of the special revenue funds of Covington Independent School District related to the Hill County Special Education Cooperative (the Coop) as of and for the year ended August 31, 2017, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for out audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the special revenue funds of Covington Independent School District related to Hill County Special Education Cooperative, as of August 31, 2017, and the results of its operations for the year the ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

As discussed in Note I, the financial statements present only the special revenue funds related to the Hill County Special Education Cooperative and are not intended to present fairly the financial position and results of operations of Covington Independent School District, in conformity with accounting principles generally accepted in the United States of America.

COVINGTON INDEPENDENT SCHOOL DISTRICT HILL COUNTY SPECIAL EDUCATION COOPERATIVE SPECIAL EDUCATION FUNDS

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED AUGUST 31, 2017

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Covington Independent School District (the "District") is a public educational agency operating under the applicable laws and regulations of the State of Texas. It is governed by a seven member Board of Trustees (the "Board") elected by registered voters of the District. The District prepares its basic financial statements in conformity with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB) and other authoritative sources identified in *Statement of Auditing Standards No.* 69 of the American Institute of Certified Public Accountants; and it complies with the requirements of the appropriate version of the Texas Education Agency (TEA) *Financial Accountability System Resource Guide* (the "Resource Guide" of FASRG) and the requirements of contracts and grants of agencies from which it receives funds.

These financial statements contain only the assets, liabilities, fund equity and related revenues of expenditures of Covington Independent School District's special revenue funds related to the Hill County Special Education Cooperative. This is not intended to present fairly the financial position and results of operations of Covington Independent School District as of and for the year ended August 31, 2017.

A. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of Hill County Special Education Cooperative are reported using the current financial resources measurement of focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measureable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Coop considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred.
