### Report on the Financial Statements

I have audited the accompanying financial statements of the governmental fund activities for Covington Independent School District (the "District") related to the Hill County Special Education Cooperative (the "Co-op") as of and for the year ended August 31, 2019, and the related notes to the financial statements as listed in the table of contents.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

#### *Opinions*

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental fund activities of Covington Independent School District related to the Hill County Special Education Cooperative as of August 31, 2019, and the results of its operations for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Other Matters*

##### *Other Information*

As discussed in Note I, the financial statements present only the special revenue funds related to the Hill County Special Education Cooperative and are not intended to present fairly the financial position and results of operations of Covington Independent School District, in conformity with accounting principles generally accepted in the United States of America.

**A. Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

The financial statements of Hill County Special Education Cooperative are reported using the current financial resources measurement of focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Coop considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred.
