

April 2018

HELLO PARENTS!

*Welcome to Grandview! We're excited to have your child/ren here at our school. It's a brand new adventure for them, and possibly for you, too. There are a few things of which we want to make you aware:

- First, ALL 3 year olds MUST turn 3 years old ON or BEFORE September 1st, 2018. Children turning 3 after September 1st do not automatically become enrolled or accepted into the program on their birthday. They will need to wait until the next school year.

- Second, ALL 3 year olds MUST be fully potty-trained in order to be accepted into our program. This includes being able to wipe themselves after using the restroom. The teachers will change your child for the first two accidents. If a third accident occurs, you will be called to come and change your child. If a fourth accident occurs, your child will no longer be allowed to attend the program until he/she is in fact, fully potty-trained.

- Third, ALL 3-year-olds will receive additional Speech & Language services provided by our in-house Speech & Language Pathologist, Ms. Sheila. There will be more information regarding this program towards the beginning of the school year (Meet & Greet night).

Thank you! Please sign below and return this with your enrollment form.
