

April 2019

HELLO PARENTS!

Welcome to Grandview! We're excited to have your child/ren here at our school. It's a brand new adventure for them, and possibly for you, too. There are a few things of which we want to make you aware:

- First, in-district families will be given first consideration when enrolling in the program. This means you live within the Grandview School district parameter. Out-of-district families will be placed on a waiting list and called based upon available slots, if any.

- Second, ALL 3 year olds MUST turn 3 years old ON or BEFORE September 1st, 2019 – No Exceptions. Children turning 3 years old after September 1st do not automatically become enrolled or accepted into the program on their birthday. They will need to wait until the next school year.

- Third, ALL 3 year olds MUST be fully potty-trained in order to be accepted into our program. Fully potty-trained means that the child must be able to wipe his/herself after using the restroom, does not wear training pants (pull ups or other), and does not need the assistance of a potty seat. The teachers will change your child for the first two accidents (#1 or #2). If a third accident occurs, you will be called to come and change your child. If a fourth accident occurs, your child will no longer be allowed to attend the program until he/she is in fact, fully potty-trained.

- Fourth, ALL 3-year-olds will be screened and will receive additional Speech & Language services provided by our in-house Speech & Language Pathologist, Ms. Sheila. There will be more information regarding this program during our Meet & Greet night, which we be scheduled for the beginning of August.

Check out our website at [www.grandviewschool2.ok.us](http://www.grandviewschool2.ok.us). We post information there throughout the school year.

Thank you! Please sign below and return this with your enrollment form.
