

Dear Parent/Guardian,

All children enrolled AND accepted into Grandview's 3 year old program (2019-2020) will need to schedule an appointment with Ms. Sheila, Speech-Language Pathologist.

At this appointment your child will be given a screening which includes a hearing/vision as well as a basic developmental skills assessment. This is required for attendance in our 3 year old program.

May 6, 2019 has been set aside to conduct these screenings. If for some reason you are unable to schedule your child for this day, please call and other arrangements can be made.

Grandview 580-439-2467

Ms. Sheila 405-708-0017
