April 2021

Our next meeting will be April 14th immediately after school at the community center. Please remember to practice social distancing and wear a mask. Hope to see you there!

Congratulations to everyone who showed at the Stephens County Junior Livestock Show and OYE! We are SUPER proud of **ALL** of our 4-H kiddoes!

Think about something to contribute to the Blessing Box. Have ideas for the county free fair in August. Decide if you would like to have summer 4-H meetings and when.

Begin thinking about things to do over the summer to enter in the county free fair in the fall!
