Dear Parents, Community Members, and Students,

The school year is flying by; spring semester is always the busiest time of year. There are always so many activities that keep the staff, students and parents busy. Ag shows, baseball, softball and track are all in full swing. Prom was a blast and I would like to thank the Junior class and their sponsors for all of the hard work that they put into it this year. I would also like to thank all of the parents that volunteered their time to put together the after-prom party. I heard that it was a real animal house.

Right in the middle of the spring activities is end-of-instruction testing. Teachers and students have worked hard this year to prepare for their exams. I would like to remind my students to get a good night's sleep the night before the exams and eat a good breakfast the morning of the exam.

Thank you for all of your support! Proud to be a Donkey!

James Vines
