Dear Parents,

The safety of your child and our staff is of utmost importance as we return to school. During the school year, we are asking you to daily check your child for signs of COVID-19. Below is a checklist of statements you may use as a reference. If your child exhibits any of the following signs, indicating by answering yes to the questions below, please keep them at home. This checklist must be used separately for each child attending school from your household. You can print a checklist from our website at www.braydoyle.k12.ok.us.

- _____ 1. Does your child have a temperature of 100 degrees or more today?
- _____ 2. Does your child have a sore throat?
- _____ 3. Does your child have a cough?
- _____ 4. Does your child have a loss of smell or taste?
- _____ 5. Does your child have shortness of breath?
- _____ 6. Does your child have close contact with a positive COVID case?

Students will have their temperatures before they get on the bus and will again be screened in the gym lobby. If the student exhibits a fever of 100 degrees or more they will not be permitted on the bus. Any student that fails the screening process at school will be isolated and will need to be picked up immediately. Please provide us with current contact information.

Thank you,

James Vines
