

School Counselor's Corner

Mrs. Chambers

February
2022

In honor of the month of love and kindness, the Eight Expectations for Living from Great Expectations® are listed below. Our kindergarten students learn and practice these eight expectations each year and share them at their graduation. These foundational principles are important in how we interact with one another in all areas of life.

- We will value one another as unique and special individuals.
- We will not laugh at or make fun of a person's mistakes nor use sarcasm or putdowns.
- We will use good manners, saying "please," "thank you," and "excuse me" and allow others to go first.
- We will cheer each other to success.
- We will help one another whenever possible.
- We will recognize every effort and applaud it.
- We will encourage each other to do our best.
- We will practice virtuous living, using the Life Principles*.
