Dear Bray Friends and Family,

I want to remind everyone that Parent-Teacher Conferences are scheduled for February 6 from 3:30-6:30 and February 7 from 8-11. I encourage you to visit with your child's teacher during this time or if this is not convenient for you I know they will be willing to set up another day and time. It has been proven that parent-teacher conferences do play a very important role in a student's academic success. It allows the parent or guardian to learn of any challenges academic or otherwise their child might be having. By the same token, parents can let the teacher know of any special circumstances at home that might have some bearing on the student's performance or behavior. When parents and teachers work together to try and provide the best environment for learning, the child stands to benefit the most.

February 6 from 3:30-6:30 parents of three year olds to 8th graders stop by the middle school library with your child for **Family Game Night**. There will be cookies and juice.

February 14 is our Valentine's Day parties for three-year-old to fourth grade students. They will begin at 2:30. Your child's teacher will be sending out notes specific for their class, but please remember items must be prepackaged or store bought. **Homemade items are not allowed.**

There will be no school February 10 due to staff development.

This is the season for head lice and sickness. Please be diligent to check your child's hair for head lice and to not send them to school if they are running a fever.

Happy Valentine's,
Mrs. Heinrich
