Dear Bray Friends and Family,

I hope everyone had a wonderful Christmas. Now we are ready to start getting super serious about the testing that our third through eighth and eleventh graders will be taking in April and May. The window for these tests is April 4-May 11. Attendance is very important to help them prepare for these tests during January through April and then please make sure they are here on their testing date or dates. Students seem to do better when they are able to take the tests with their class rather than having to take them alone.

Remember that attendance is very important all year:

If a child is absent without valid excuse four (4) or more days or parts of days within a four-week period or is absent without valid excuse for ten (10) or more days or parts of days within a semester, the attendance officer shall notify the parent, guardian, or custodian of the child and immediately report such absences to the district attorney in the county wherein the school is located or juvenile proceedings pursuant to Title 10 of the Oklahoma Statutes. (70-10-106)

I would also like to say thank you to everyone that brought “canned goods” to the school to help families in our community.

If you have concerns or questions about your child, please contact your teacher. They are very willing to sit down with you or visit with you on the phone about your concerns.

Happy New Year,
Mrs. Heinrich
Elementary Principal
