Dear Parents and Guardians,

I am so excited to be back in school. The year 2020 has definitely been unusual for schools. We have had to rethink the entire way schools work on a daily basis. I feel at Bray-Doyle we have done an excellent job in adjusting to the new challenges set before us. Our maintenance crew is working to keep our buildings and playground equipment sanitized each day. We are working to get laptops into every students' hands and our teachers are learning how to use all this new technology given to them. If you see any of our staff, remember to tell them how much you appreciate them.

If you want to keep up with what's going on or find out more information at school, be sure to get signed up for the school messenger system. You can contact Joni Eads in the elementary office to get connected. You can also go to our website. It is www.braydoyle.k12.ok.us. You can find the teachers' email addresses on our website. We also post information on Facebook. It is listed under Bray-Doyle Public Schools. You can also contact me at 580-658-5070 ext. 2.

We also offer you the ability to check on your child's grades and pay your lunch bills through PayPal whenever you want. You can just call the office and we will get you set up.

I am looking forward to the 2020-2021 school year!! Let's make this a great year for our students. Thanks for all you do.
