## College Visit Days for Seniors

Seniors are allowed **two** excused College Visit Days.

In order for the College Day to be excused, seniors must see Mrs. Chambers to request a form. The form must be signed by the student, parent, and all the student's teachers **before** the request is approved by Mr. Vines or Mrs. Chambers.

Check with the college/university prior to going to a college to make sure they are offering in-person visits. You will also need to bring documentation of your visit.
