- Parents please make every effort to send your child to school with all his/her belongings (school supplies and lunch provision) to make sure each child is prepared for a successful and productive day.
- Please make every effort to inform your child of his/her transportation arrangements before the start of the school day. If any unforeseen circumstances require you to make a change to your child's transportation during the day, please contact the office before 2:30 p.m.
- **ATTENDANCE:** Attendance plays a vital part in your student's academics on a daily basis. The official attendance time is taken at 9:45 each day. When a student must be absent from school, the student-upon returning to school-must bring a note signed by the parent that describes the reason for the absence. Acceptable parent notes must include the date, the reason, student's first and last name and parent or guardian signature. If documentation is not received within three (3) school days, the absence will be recorded as unexcused regardless of the reason.
