September 21, 2018,

Parents and Guardians,

As part of our safety program here at Kountze Elementary School, we want to make everyone aware of the changes that are taking place. The circle drive will have staff available to open car doors starting at 7:20 each morning. Only buses will be allowed to drop students off in the bus lanes. Please do not drop your student off at the main front office gate. It will now be locked at all times. Teachers have been instructed not to open this gate. In addition, school staff will be the only adults allowed to travel with and attend educational fields trip. It is unfortunate that our society has come to need these precautions, but it is a safety necessity for our campus. We appreciate everyone's support and understanding safeguarding our children's education.

Educationally yours,

Thomas Cooley
Kountze Elementary School Principal
