## **Title I Parental Involvement Policy**

Kountze Middle School will involve parents in the joint development of the Title I plan and the processes of our school review and improvement.

An adequate number of parents will work collaboratively with the Kountze Middle School faculty and staff in an organized, ongoing, and timely way, in the planning, review and improvement of the Title I program.

Annually, our school will convene a meeting, to which, all parents of participating students are invited to gain information regarding the school's participation in the Title I program and the parents' right to be involved.

Parents will be provided timely information about available campus programs throughout the school year.

Parents will be provided with school performance profiles and will be offered assistance with interpreting their child's individual assessment results.

Parents will be provided a description and explanation of the curriculum in use at the school, the forms of assessment used to measure student progress and the proficient levels students are expected to meet.

Parents will be provided with opportunities for meetings to formulate suggestions, share experiences with other parents and to participate in decisions relating to the education of their children.

Parents will receive a timely response to their suggestions.

The school will coordinate, provide technical assistance and offer other support, as necessary, to assist parents in actively participating in the planning and implementing of a parent involvement program.

Parents will be encouraged to jointly conduct an evaluation of the content and effectiveness these involvement policies provide and may offer revisions as necessary.
