

How to log into an Okmulgee Gmail account

1. On the Google homepage (www.google.com), click on the word Gmail in the upper right hand corner.

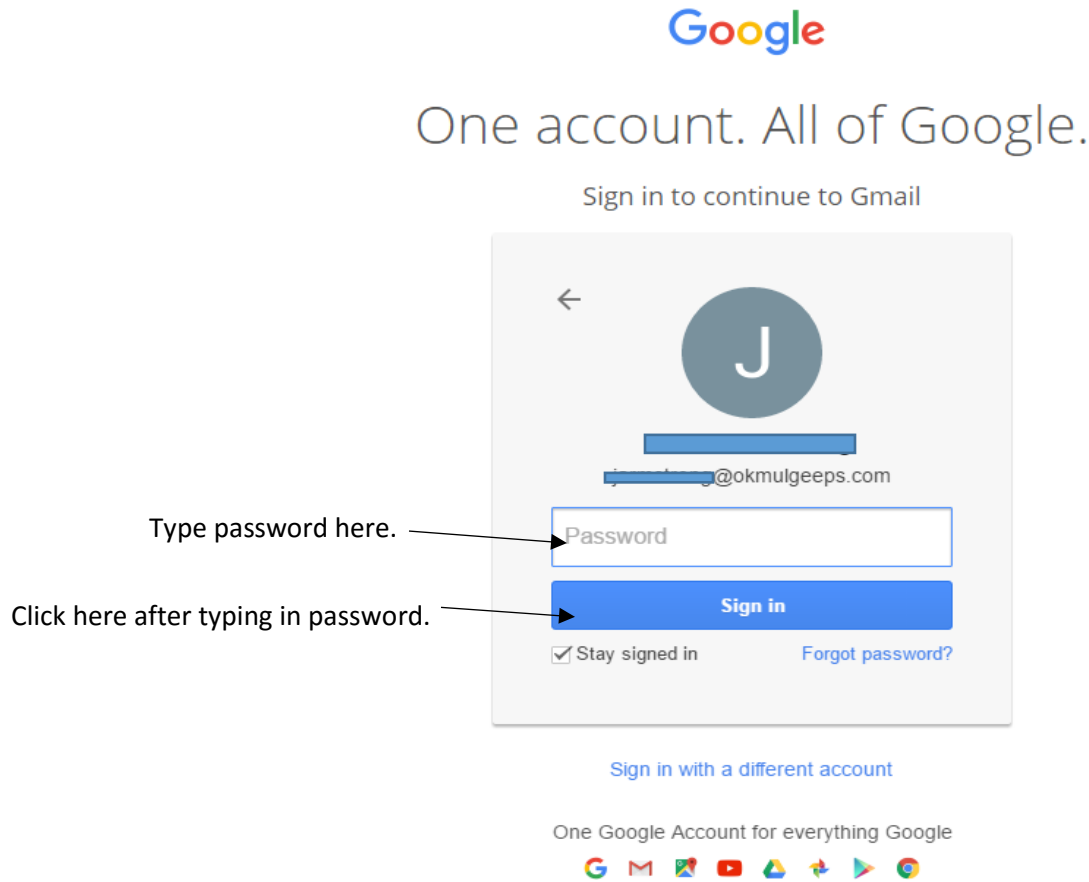

2. On the Gmail page, enter your first initial, last name @okmulgeeps.com (ex. jsmith@okmulgeeps.com) in the box that says Enter your email and click on next.

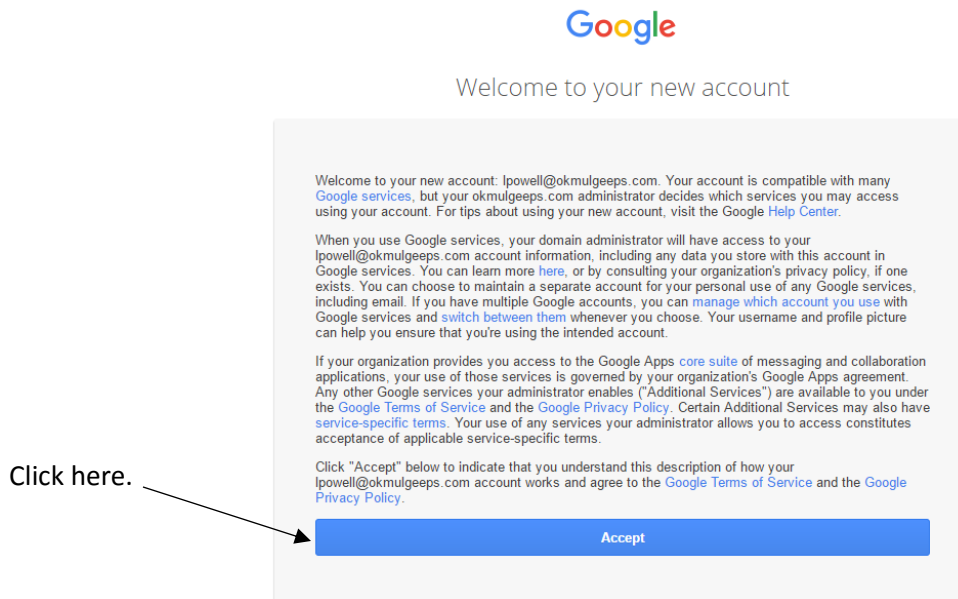

om/ServiceLogin?sacu=1&sc=1&continue=https%3A%2F%2Fmail.google.com%2Fmail%2F%3Ftab%3Dwm&hl=en&service=

3. In the Password box, type in your password. The default password is okmulgee16. You will be prompted to change it when first logging on. Click on "Sign In" after typing in password.

4. At the Welcome screen, click on Accept.

5. Click on Create password box and enter a new password on your creation. Click on Confirm password box and re-type the password you created. Click on Change password.

Change password for
@okmulgeeps.com

[Learn more about choosing a smart password](#)

Create a new, strong password that you don't use for other websites.

← Type in your new created password here.

← Retype password here.

← Click here to change password.

6. Congratulations! You are now in your Gmail account! If you have any questions, please enter a help ticket or call the IT Dept.
