

WARNING for Non-Working Websites

(Example: EdPlan, PD360, etc.)

If you have the symbol of the yellow triangle, as shown above in the red box, STOP.

Before calling IT or putting in a help ticket, please turn your computer off with the proper procedure, then turn on the computer.

Please wait 5 minutes after the computer restarts to see if the triangle goes away.

If it does not, try to restart your computer again. Wait 5 minutes.

If the triangle has not disappeared after the third try of turning the computer off then back on, then put in a help ticket to IT.
