

"My involvement with the HPCLN Teen Volunteer program will follow me throughout my life. I began by visiting patients in nursing facilities, and quickly realized that I could easily brighten their days – and have fun doing it! I decided to become further involved by helping out at special events and putting together scrapbooks. I have truly enjoyed my experience in the teen program and plan to continue volunteering in the years to come."

– Alexa Haas, HPCLN Teen Volunteer
and Hopewell High School graduate

For an unforgettable experience... volunteer your time and talent!

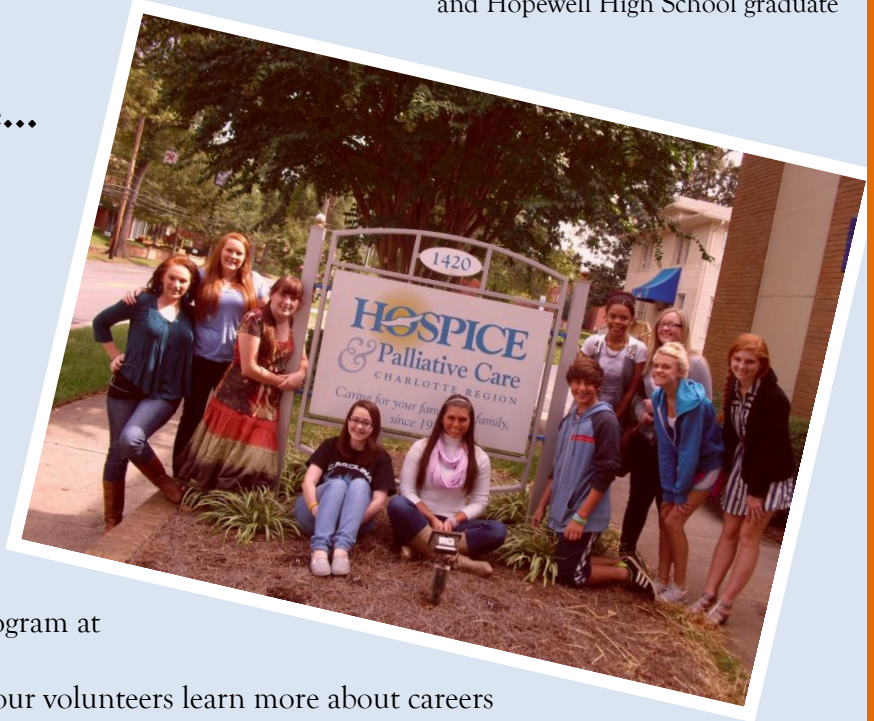

Our Teen Volunteer program provides sophomores, juniors, and seniors in high school the opportunity to be part of a team to provide companionship to patients in long-term care communities. Visiting patients in groups, our teen volunteers experience first-hand the power of a touch, a smile, a kind word, a listening ear, or the smallest act of caring.

Limited openings are available in the Teen Program at Hospice & Palliative Care Lake Norman.

In addition to giving back to the community, our volunteers learn more about careers in healthcare and human services. Training is provided, and we ask for a minimum six-hour commitment per month.

Apply today.

If you would like to volunteer with us, please contact Volunteer Manager, Melissa Nance at 704.335.3553 or nancem@hpccr.org. Visit hpccr.org for an application or additional information about Hospice & Palliative Care Lake Norman and how you can make a difference in the lives of others.
