

Dear Pleasant Grove Parents and Guardians,

After much discussion and investigation, we have determined that it is in the best interest of our Warriors and Pleasant Grove staff to change the first day of school from August 13th to Monday, August 31st. This adjustment to the start date will allow our Chromebooks to arrive and our staff to prepare for digital teaching. We thank you for your understanding and look forward to the first day of school August 31st.

Tuesday, July 28th the Pleasant Grove School Board approved the Pleasant Grove Return 2 Learn and Distance Learning Plans.

The Return 2 Learn Plan establishes the guidelines we are taking regarding our responses to the current CoVid 19 pandemic. Please note we will require face masks and/or coverings for all students, staff and visitors. We have purchased one face shield for each student to have for the beginning of the school year. This plan is available on our website and will be on our Facebook page tomorrow.

The Distance Learning Plan was approved to provide guidelines if we have another school shutdown due to the pandemic. It also provides information regarding learning options such as virtual school. If you plan on having your Warrior attend traditional in person school please notify Christy or Larry in the office. If you prefer that your child be enrolled in one of the virtual options, please contact Mrs. Templeman at 405-275-6092 or email dtempleman@pgs.k12.ok.us. The final day to choose one of the virtual options is August 13th. This plan and learning options are also available on our website and will be on our Facebook page tomorrow.

As always, please contact the office if you have any questions.
We hope to see you August 31st. Please stay safe.

Scott C. Roper
Superintendent
