

## What are the prohibited places for carrying a handgun?

### Carrying a weapon openly or concealed is not allowed in:

- Any business that displays a sign prohibiting firearms.
- All city, state and federal buildings.
- All elementary and secondary school properties and on school buses.
- An establishment where alcohol is consumed if the sale of alcohol constitutes the establishment's primary source of income.
- Any place where pari-mutuel wagering is authorized.
- Any sports arena during a professional sporting event.
- A meeting of almost any governmental entity or legislative body; any jail, prison or detention facility.
- Any place owned or leased by a city, state or federal government for the purpose of conducting public business.
- Any courthouse.
- Colleges, universities and technology centers, except where authorized.
- Any other place specifically prohibited by law.
