**Arkansas Public District and School  
General Description for the use of State Categorical Funding**

<b>School</b>	Mt. Judea High School	<b>LEA #</b>	5106010
---------------	-----------------------	--------------	---------

**Introduction**

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

<b>Statute</b>		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402
A.C.A. § 6-15-426	A.C.A. § 6-15-2201	A.C.A. § 6-20-2303
A.C.A. § 6-15-431	A.C.A. § 6-15-2202	A.C.A. § 6-20-2305

**Please provide a general description including the purpose and program evaluation of the ALE programs, positions, and other expenditures.**

The purpose for the Mt Judea High School ALE is to meet the needs of at-risk students. The needs may be academic, behavioral, or social needs. The goal is to address these needs of the students that cannot be met in a regular classroom. A team of teachers, support staff, administrators, counselor, parents, community members, and the student works together to help the student become successful in the academic setting. The effectiveness of the program will be measured by the percentage of students returning to the regular classroom or successfully completing graduation requirements.

Funds will be used for a part-time school improvement specialist to provide support in development of a diagnostic analysis and targeted improvement plan. Funds will also be used to provide a counselor above state mandates and to hire a paraprofessional to work under the direct supervision of a highly-qualified teacher. Other funds are budgeted to purchase resources for interventions and other supplementary materials and supplies for instructional programs to increase student academic achievement. Student data will be used for evaluation of the effectiveness of use of funds.
