

Student Volunteer Application

Middle School & High School Students of
Oak Harbor Public Schools

FOR OFFICE USE ONLY

Date Rec'd: _____
Complete: _____
Partnership: _____
School: _____
Reference: _____
Expiration: _____

We appreciate all of our volunteers and know that middle school and high school students can be a valuable asset to both teachers and young learners. Student volunteers can listen to children read, work with small groups, help with classroom organization projects and much more. We believe middle school and high school students provide an example of behavioral and academic success for our younger students. Thank you for your interest in volunteering!

Please submit completed applications to the front office of the school where you want to volunteer. A copy will be sent to Jackie Hussey, in Human Resources, for approval. A volunteer badge, good for the current school year only, will be sent to the volunteer's school for pick up.
