

SCHOOLMESSENGER®

Elkins School District uses School Messenger to send out alert calls and information to parents and/or guardians regarding school activities and events, early dismissal times and weather closings. Phone numbers and email addresses are imported from the Student Information System.

Parents and/or guardians may also opt to receive SMS messages. There are two steps to receive text messages:

1. Ensure your preferred mobile device number is on file with your school(s).
2. Text **YES** from the device(s) to **68453**.

*Aprx. 3 msg/month. Msg&data rates may apply.*

*\*\*If you are NOT receiving text messages contact the school office to check your contact information.*

The district also has a mobile app available in the Apple App store or in the Google Play store.

Search for Elkins School District, AR and download to your device. You can access lunch menus, grades, announcements, calendars and other items of interest through the app.
