

Uses of NSL Funding 2017-2018

Use	Funding	Description
Personnel Salaries and Benefits	\$261,763.97	Salaries and benefits to provide services and resources to meet the additional health and educational needs of low-income students. These funds are essential to reducing the opportunity gap for low-income students. Improving educational outcomes, and closing the achievement gap between low-income students and higher-income students is the purpose of using NSL funds in this use category.
School Materials and Supplies	\$36,177.03	Materials and supplies to provide additional skills and strategies promoting school safety by the school resource officer to enhance the educational outcomes of low-income students and provide opportunities to closing the achievement gap between low-income students and higher-income students.
NWEA MAP	\$4,200.00	The purchase of NWEA MAP testing provides progress monitoring to enable teachers to evaluate the progress of low-income students when discerning educational outcomes for these students in relation to their academic achievement status. Reflecting these outcomes in relation to closing the achievement gap between low-income students and higher-income students.
