November

Great

Start Students! Recap: It's been a great first nine weeks! Parent teacher conferences are behind us and all report cards with GT Progress Reports have gone out!

GT Events to look forward to November and December:

***Third Grade** students will be creating a book based upon The Math Curse by Jon Scieszka. Then, we will have a STEAM Day with other GT students from around the region.

STEAM Day Field Trip is November 16th!

***Fourth grade** will also be attending STEAM DAY Field trip Nov. 16th. **There will be concessions.**

***Fifth and Sixth grade:** Stock Market Game is winding down, but that is no reason to slack now! Finish strong! Keep working those stacks and paying close attention to your stocks! December 1 is the end of the Stock Market Game. QUIZ BOWL practice is well underway. Students are working hard and doing a great job! Quiz Bowl competition date is NOV 30! **Concessions will be available.**

You may bring a sack lunch as well. All classes will continue Genius Hour, finding our passions, and how to discover and put them to use.

***Seventh and Eighth Grade** Quiz Bowl is December 1st, and Ninth through Twelfth Grade Quiz Bowl is December 8th

***High School Students:** Log into your Google Classroom and take the Meyers Briggs test. Post for all of us to see! I look forward to getting the opportunity to know you better!
