Enhancing the StopIt App based on student feedback to improve usability and accessibility for reporting bias incidents

Developing a culturally responsive Positive Behavioral Interventions and Supports (PBIS) student handbook

Creating a corporation-wide training plan to promote safe and inclusive schools

Expanding employment recruitment opportunities to attract more employees who reflect our student population

Our Next Steps:

Finalize and implement a district-wide Safe and Inclusive Schools training plan

Finish developing administrative guidelines

Present the findings and recommendations from Youth Participatory Action Research projects conducted by student equity ambassadors
