

OLDER and DISABLED ADULT WORKGROUP

4th Friday of each month in 2021

<https://zoom.us/j/96622907562>

The Older Adult Behavioral Health Initiative in Lane County invites **you** to join our monthly Stakeholder Meeting!

Goals of the group:

- ❖ Provide a forum for discussion and goal setting by organizational leaders with a focus on improving the quality of life for vulnerable older adults and adults with disabilities.
- ❖ Present education and information regarding local and regional resources, programs, and supports.
- ❖ Develop connections between historically distant organizations, understand structural barriers preventing the integration of Behavioral Health services with medical and long term care, and explore strategies to minimize obstacles to care via communication and coordination.
- ❖ Create solutions for locally identified gaps in services for older adults and adults with disabilities:
 - Suicide Prevention and Education
 - Helping Seniors Cope with Isolation During COVID-19
 - Increasing Physical and Cognitive Resilience
 - Your ideas??
