

GENESEE VALLEY SCHOOL BOARDS

"BUILDING BLOCKS FOR A SOLID PUBLIC EDUCATION"

SO, YOU WANT TO BE A SCHOOL BOARD MEMBER?

Monday, March 25th – 6:30 PM

Genesee Valley BOCES Service Center - 80 Munson St. – LeRoy, NY

This program has been designed to answer all the questions that parents and residents may have about becoming a School Board Member. We will go through the process of the election and discuss expectations and outcomes once you are elected. If you have a basic interest, this is step one to learn what your commitment would be as well as what to expect from this much needed community service position. Join us for a informal discussion and presentation that will enlighten you on what to expect and the important duty of serving our public educational system.
