

Put me in the band!

Welcome to all 4th grade beginning band students! This paper is to inform you of what you will need for the 2018-2019 school year in the band class. Please contact Mrs. Donwell with any questions.

What will I need? (Please have all supplies by August 21)

- An instrument and care accessories
 - Mrs. Donwell is happy to make a recommendation or you may choose what you would like to play
- A book
 - Essential Elements for Band- Book 1 (with the instrument you will play)
- A 1" binder- this will help keep your book from falling apart and hold sheet music
- A pencil everyday (I keep one in my case)

Where can I get an instrument?

- Instrument rental night @ Luther Band room
 - Monday, August 20, 2018
 - The instrument rental night will be hosted by Edmond Music. They will have instruments, books and all the equipment you will need at this meeting.
- Any music store
- A family member or friend
 - It is recommended to purchase/rent an instrument from a music store in order to insure the instrument is in good playing condition. If you buy an instrument from somewhere else, please bring it to Mrs. Donwell to inspect and make sure it will work for band. Please be prepared to service an instrument if it is given to you (if an instrument has been sitting in storage or is well used it will likely need some type of service).

□ Mrs. Donwell- if you are financially unable to obtain an instrument, please contact me directly as I may have a resource for you.
