

**NOTICE TO PROSPECTIVE EMPLOYEES
AND ACKNOWLEDGEMENT REGARDING CHILD ABUSE LAW**

California Penal Code Section 11166.5 requires that employees performing certain jobs in the public schools sign a statement to the effect that he/she has knowledge of the provisions of Penal Code Section 11166 and will comply with its provisions regarding the obligation to report suspected cases of child abuse. Because the position for which you are being employed is one of the positions to which this law applies, you must sign this statement before you can begin your employment. Please read the following carefully:

Section 11166 of the Penal Code requires any child care custodian, medical practitioner, non-medical practitioner, or employee of a child protective agency who has knowledge of or observes a child in his/her professional capacity or within the scope of his/her employment whom he/she knows or reasonably suspects has been the victim of a child abuse, to report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone, and to prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

"Child care custodian" includes teachers, administrative officers, supervisors of child welfare and attendance, or certificated pupil personnel employees of any public or private school; administrators of a public or private day camp; licensed day care workers; administrators of community care facilities licensed to care for children; headstart teachers; licensing workers or licensing evaluators; public assistance workers; employees of a child care institution including, but not limited to, foster parents, group home personnel and personnel of residential care facilities; and social workers or probation officers.

"Medical practitioner" includes physicians and surgeons, psychiatrists, psychologists, dentists, residents, interns, podiatrists, chiropractors, licensed nurses, dental hygienists, and or any other person who is licensed under Division 2 (commencing with Section 500) of the Business and Professional Code.

"Nonmedical practitioner" includes state or county public health employees who treat minors for venereal disease or any other condition; coroners; paramedics; marriage, family, or child counselors; and religious practitioners who diagnose, examine, or treat children.

This is an important law. You are protected from having to pay damages in a lawsuit if you report suspected child abuse, unless you know the report is false; but you are subject to criminal prosecution if you fail to report an instance of child abuse when you know or reasonably should know it has taken place. Attached are copies of California Penal Code Sections 11165, 11166 and 11167. You should review these provisions.

"Child abuse" includes the following:

- (1) A physical injury which is inflicted by other than accidental means on a child by another person;

- (2) The sexual abuse of a child;
- (3) Willfully causing or permitting a child to suffer, or mental suffering;
- (4) Willfully permitting the health of the child over whom the abuser has the care or custody to be injured or placing the child in such a situation that its person or health is endangered; and
- (5) The neglect or abuse of a child in out or home-care.

Refer to California Penal Code Section 11165, attached, for more specific information.

California Penal Code Section 11166 also states that if you have knowledge of or reasonably suspect that mental suffering has been inflicted on a child, or his or her emotional well-being is endangered in any other way, you shall report the matter to a child protective agency.

Please read this statement carefully. Please feel free to ask questions. If you should observe or become aware of a possible instance of child abuse, and if you have any question regarding whether to report it, you are directed to contact your supervisor.

PC 11166

a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report to the agency immediately or as soon as is practicably possible by telephone and the mandated reporter shall prepare and send, fax, or electronically transmit a written follow-up report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any non-privileged documentary evidence the mandated reporter possesses relating to the incident.

1) For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. For the purpose of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone follow-up call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written follow-up report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written follow-up report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practicably possible, by telephone and shall prepare and send, fax, or electronically transmit a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of the following:

(1) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(2) Penetration of the vagina or rectum by any object.

(3) Masturbation for the purpose of sexual stimulation of the viewer.

(4) Sadoomasochistic abuse for the purpose of sexual stimulation of the viewer.

(5) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same

time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

PC 11167

(a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated

reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(b) Information relevant to the incident of child abuse or neglect may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.

(c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.

(d) (1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision (c) of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.
