

The mission of the International School of Monterey is to educate all children toward becoming conscientious, compassionate, and responsible citizens of the world.

Conflict Resolutions - Kelso's Friendly Choices

The International School of Monterey uses Kelso's Choice Conflict Management Skills Program school-wide. Kelso's Choice provides students with opportunities to self-assess personal behavior, identify conflict behaviors of other individuals, and learn and apply conflict resolution skills that help to empower good choices and life-long conflict intervention skills.
