DeKalb Bear Fans,

The beginning of the 2020-2021 basketball season is upon us. Masks are still required to enter, exit, and go to the concession stand or restrooms. Masks may be removed if you socially distance in your seat. All DeKalb fans must sit on the home side, and all of our opponents must sit on the visitor side. We can accommodate 150 fans per side. As we continue to navigate ticket sales, 50% gym capacity restrictions, and community safety, the following information will be needed for attendance to home games:

1. All Middle School games will be played at the high school gym this year. **Tickets for the Middle School games will be sold at the door.**
2. When the varsity teams start district play, JV boys and JV girls will play on the same night as the Middle School. Example: MS B-Team boys, 7th boys, 8th boys, JV boys will be at home. MS B-Team girls, 7th girls, 8th girls, JV girls will be on the road.
3. **All home varsity tickets will be online via Go Fan.** The link to find tickets will be <https://gofan.co/app/school/TX23513>. The code will be provided the day before the games. This will allow everyone to know if tickets are available before they show up to a game. You will access the link through the DeKalb ISD web page or Facebook page. You can keep up with your ticket on your smartphone, or email or text the tickets if you need to transfer them to another fan. If neither of these work for you, you can come to the central school office, we will assist you with purchasing the ticket online or call the office at 903-667-2566.
4. Tickets can be purchased with a debit or credit card.
5. District passes will be the only passes allowed this year. They are only valid for one person.
6. **For away games, we will pass on the information about how to purchase tickets for each game as soon as we have it.** It will be different for every team to a certain degree, so please be patient as we do our best to communicate the information.
7. All of our home games will be livestreamed. If away games are livestreamed, we will send a link.

I'm sure we will have more to share as we move forward. See you at the gym!

Sincerely,

Dr. John Booth, Ed.D., Superintendent
