Band and Vocal Concert Protocol Fall 2020

Parents and Guardians –

It is with great joy that USD 377 is able to hold fall and winter performances from our vocal and band students. We would like to share the following information for our concert protocol.

In order to meet guidelines for capacity at indoor events there are a few modifications that will be taking place for the band and vocal concerts this semester.

Indoor activities:

- All spectators will be required to wear masks into all facilities. All masks will be worn at all times while inside any facility.
- All spectators will be subject to a temperature check before entering a facility. Anyone with a temperature of 100.4°F or higher will not be admitted to the event.
- Each student performing is allowed 2 people to accompany him/her.
- Your child will remain with you before and after the event.
- Once your child is finished for the night, you will need to leave the facility expeditiously to allow the following event to begin.
- Doors will be opened 10 minutes prior to the start time of the event.

Concerts will take place in the auditorium at the JSH. The west (front) entry doors of the JSH will be the only ones available for the concerts.
