John McNamara
Superintendent

March 13, 2020

Dear Wantagh Community,

The district has received an order from the Nassau County Department of Health to close all districts schools through Friday, March 20, 2020, as a result of a confirmed case of coronavirus (COVID-19) in the high school.

During this closure, all school buildings will be disinfected in accordance with guidelines from the NYSDOH. In addition, we will be using an outside contractor to provide further disinfecting services.

I will continue to provide you with updates throughout the week and keep you apprised of all developments. I understand the difficult burden that this places on our families and how disruptive extended school closings can be for our community. We will all get through this together.

Sincerely,

John C. McNamara
Superintendent of Schools
