John McNamara
Superintendent

March 19, 2020

Dear Wantagh School Community,

This is just a reminder that during this period of extended school closure, we will continue to have our food service available to **all students** each day. On each regularly scheduled school day that we are closed, the district will have breakfast and lunch available to any student that needs it for pick-up. *We will also be providing meals for the weekend when students pick up their meals on Friday.*

This will take place between the hours of 8:00 AM and 10:00 AM at the Wantagh Elementary School cafeteria. The cafeteria is located by the south parking lot right off of Bunker Avenue. You can use the door off the south parking lot that accesses the cafeteria. The meal will be distributed to bring home, as we will not be making the cafeteria available for congregation.

We wish everyone the best of health, as we continue to work through this challenging time.

Sincerely,

John C. McNamara

Superintendent of Schools
