Job Posting

High School Football Coach
Offensive Backs, Defensive Outside Linebackers, Track
Teaching: PE with EC-12 certification

We are looking for an outstanding Physical Education teacher with an EC-12 certification. The teaching position will be in the high school. Coaching responsibilities will be with the offensive backs and the defensive position will most likely be outside linebackers. This is a potential varsity position for the applicant with the right knowledge and experience. We coach both sides of the ball and our athletes benefit from being coached by varsity coaches from the 7th grade up. The 2nd sport will be Head Track. The right applicant will have vast knowledge about track and field and experience to back that up.

Description

Develop game strategies, motivate players, instill in players the spirit of the game, equip players in training drills during practice, encourage players in their weak areas and provide support helping to evolve, maintain a positive role model, good organization skills, must possess patience and have outstanding character to perform under pressure.
