

Instructions for Completing Online Registration for 2020-2021

Idalou ISD welcomes you back for the 2020-2021 school year. We prefer you to register your returning student(s) online. If this is not possible, please contact your campus secretary and make arrangements to do this at the school.

In order to register, you must have a Parent Portal account. If you DO have an account, log in with your user name and password. If you forgot your password, use the “forgot password” link to reset. If you DO NOT have a Parent Portal account, you must contact the school. The email you used to set up your Parent Portal account HAS to match the email that we have for the parent contact in our system at the school.

If you have any difficulties, please contact your campus secretary:

Parents will need to complete the Parental Choice of Learning Platform for each student that attends Idalou ISD. It will take you to a Google Form, but then return to the registration tab to complete the New Student or Returning Student registration for that student.
