District Message
Welcome to TXConnect-the online parent portal provided by Idalou ISD. By logging on to TxConnect, parents can view their child's academic progress at any time. Communication and parental involvement is vital to each student's success. We hope that this online access will allow parents the opportunity to keep up with their student's progress on a more frequent basis.

New txConnect User?
If you need to create an account, click [here](#)

1. Go to school website on a computer, not phone. www.idalouisd.net
2. Click on Parent link, View Grades Online. Click the picture of txConnect to go to a screen that looks like the picture above.
3. As a NEW USER, go to the section underneath the log in that says New txConnect user, click here.
4. You will create your own User Name and Password. Write them down!
(note: make sure you are using the same email address as the one that we have one file for you in our system)
5. It will ask you to verify your email address. You will get a Verification Code in your email, so check your email and if it doesn't come to your inbox, check your SPAM folder.
6. Return to your Parent Portal account and enter the Parent Portal ID code. The next step, you will answer a security question. Make sure you write down your answer.
7. When you finish, you will then go to My Account, Add Student, and here is where you will enter the Parent Portal ID*. You will only do this once for each of your children.
8. Once your child is connected, you will see their name under your students and you should have a green checkmark next to them. If there is a Red "X", there is a problem and you will need to call the school to get it straightened out.
9. Also under your account there is a section for Alerts. You can set the alerts for grades and attendance, depending on how you want to receive them.
10. Online Registration will be open in August for you to complete the paperwork online for each of your children and you will use this account to do so.
11. You can also download the Idalou ISD APP from the Google Play and Apple store (free) and log into your Parent Portal account on your phone.

*If you do not have your Parent Portal ID code, contact the school.

Questions or problems, call me at 892-1900 ext. 2000
