

CITY OF IDALOU

The City of Idalou has launched a new Community Information Service designed to deliver important and timely information to residents in our area using the latest technology.

This service, Nixle, delivers trustworthy and important neighborhood-level public safety and community event notifications instantly sent to you by cell phone text message, email, and web. There is NO spam or advertising.

Nixle is completely free (standard text message rates apply for cell phone subscribers who do not have text plans with their cell phone providers). The service is simple to use, reliable and trusted. Register now and learn more at www.nixle.com. Then share this information with friends and neighbors to help spread the word!

Stay connected to your world, from the public safety alerts that are relevant to you, to the important neighborhood advisories you want to know about, and other valuable community information.

You decide what information you want and whether you want it sent to your cell phone, email or just simply over the web.

We are very excited to have you experience it for yourself. Nixle It!
