

2018-2019 PERMISSION SLIP

Student's Name _____ Grade _____

Parents/Guardians:

As a part of the educational program of our school, it is occasionally necessary to leave the school building during the year. For example: homecoming activities or for an assembly. These short trips would necessitate travel by car, bus, or walking.

DES would like to get your blanket permission for this type of activity now at the first of school. You will still be notified in advance of any major excursion that the group may take and sign a permission/health release paper for those trips.

I give my permission for my child to be taken on educational trips, either by bus, car, or on foot to places of interest which are a part of the regular school program.
