I. Finals-High school finals will be administered on Tuesday the 16th through Thursday the 18th. We went to a block schedule these two and a half days so that we could have a longer time to take the finals. Each class period is an hour and a half long.

II. Prom was very well attended. Most of the kids that attended prom also attended after prom.

III. Academic banquet was successful with good attendance. It's always good to recognize all of the good things are students are doing in the classrooms and in the community.

IV. Graduation: We graduated 58 seniors on Saturday, May 13th. Taylor Cunningham and Hope Kearney were the valedictorians.

V. Drivers Education: We have 48 kids signed up for drivers ed. Classes start in June.
