

BOE Report December 2017 – Wellsville Elementary – Jason Townsend

The KDG students were nothing short of adorable in their December music program. While their music skills are growing, their cuteness is in full force. It was a wonderful turnout and the Wellsville community does a great job in supporting their kids.

Holiday parties are planned for the next week. It is a great way to end the semester and lead into the holiday break. I anticipate many families visiting the school during this time and I look forward to visiting with them.

Ugly sweaters, holiday photos, and stockings have filled the elementary halls. It brings a great feeling throughout the building.

Interim/practice assessments have gone well thus far. The data the teachers are receiving should help them navigate the state standards in Language Arts and Math as we begin the spring semester.
