December 1, 2 & 3

Hyatt Regency and Century II

Wichita, Kansas

Kansas public education is future-facing, and KASB's Annual Conference will give school board members and other education leaders the information and inspiration to lead the way. Outstanding speakers, break-out speakers, vendor exhibits – the KASB Annual Conference is a great opportunity to network with colleagues from across the state, sharing ideas of what worked and

what didn't work!

### Keynote – Saturday, Dec. 2, 2017 Matt Beaudreau Center for Generational Kinetics

The Center is the #1 Millennials, Gen Z and generations researcher shedding light on ways to bring the power of cooperation and collaboration with every generation to achieve a common goal. Through personal experience as a school administrator, employer working with multiple generations and an entrepreneur, Matt's powerful and action-driving message focuses on understanding and solving generational challenges with students, parents/guardians, employees and the community. His speaking clients range from Wells Fargo and Honeywell to Wasserman Media and Sandia National Laboratories.

#### Foundations of Boardsmanship

([https://kasb.org/wp-content/uploads/2016/12/NBMW\\_Foundations1718memeONLINE.jpg](https://kasb.org/wp-content/uploads/2016/12/NBMW_Foundations1718memeONLINE.jpg)) Foundations of Boardsmanship training is useful for any board of education member – newly elected, just appointed or veteran! And attending as a team – with the superintendent and a fellow board member who can serve as a mentor – is an excellent way to develop a shared understanding of challenges and opportunities at the local level!
